WELCOME TO THE 2010-2011 YEAR FOR LEO DISTRICT 4-L4!

Welcome back LEOs! It's a brand new year for all of us, with many exciting things to look forward to. Last year was filled with lots of spirit, fun, and enthusiasm, and this year the excitement will continue to grow. The District Officers hope to increase participation and spread the spirit of unity and "leoism" among all the Leo Clubs in Leo District 4-L4. So, let's begin the year by getting to know each other, starting with the Leo District 4-L4 Officers. We look forward to working with each and every Leo in all of District 4-L4. Together, we serve

District Board 2010-2011

President: Mabel Tsui

Hi Leos! My name is Mabel Tsui and I am honored to serve as your District President for the year of 2010-2011. I am currently a junior at Troy High School and President of the Troy High School Leo Club. Having served as Leo Club President of Chaparral Middle School in 2007-2008 and as District 4-L4 Vice President in 2008-2009 and 2009-2010, I have witnessed the power of Leos working together and evolving as individuals through volunteering. I believe that giving back and getting involved is an important part of life, and that this District provides the perfect opportunity to do just that. I promise to do all I can in bringing this District to its full potential and making this upcoming year a wonderful experience for you all. I have high hopes for District 4-L4 and look forward to a successful year of Leoism!

Vice President: Atharshna Singarajah

Hi my name is Atharshna Singarajah, and I am this year's, 10-11 District Vice President. I had joined Leo Club when I was in eighth grade at Chaparral Middle School and had enjoyed it very much. I had seen what the Leos did for the community, and learned the true meaning of what being a Leo is. I had understood why it stands for leadership, experience, and opportunity, and knew that I being a Leo would be a big impact on my life. After I had completed my one year at Chaparral as president, I knew I had a "Leo future" ahead of me for the next four years at the high school. I believe this year as being part of the district I can help make big differences in helping others in need. I am looking forward to a fun and successful year.

Secretary: Wendy Lee

Hello Leos! My name is Wendy Lee, and I am your District Secretary for the year of 2010-2011. Currently, I am a senior and the Vice President of Troy High School Leo Club. I first joined Leo Club in sophomore year and have loved it ever since. The people I've encountered through Leo Club have always been generous and ambitious. Overall, I believe that people associated with Leo Club have the biggest hearts. With this belief in mind, I am honored to be serving Leos as secretary. As human beings, I feel that serving one another is a responsibility and we should do all we can to fulfill this duty. I'm thrilled about this upcoming year of serving the community and I hope to meet each and every amazing one of you!

Publicity Chairs

My name is Jennifer Dagdigian and I am currently a senior at Troy High School. I am a Co-Publicity Chair in the District Leo Club and a voting board member in Troy Leo club. It will be my third year in Leo club this year and I have really enjoyed the experience so far. It has helped me recognize the needs in not only my city, but the world around me. This club has then given me the chance to try to improve it in many different ways. I am incredibly proud to be in this organization really made me start seeing the world in a different way, a better way. I am more aware of what's going on around me and I try my best to help get Leo club involved in activities and projects. I am excited for this year and look forward to working with the Leo Club District Board.

Jennifer Dagdigian

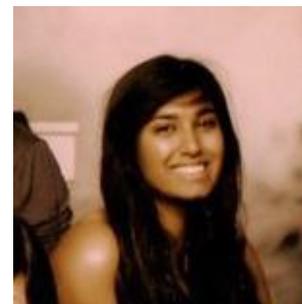

Treasurer: Margaret Hong

Hi there! My name's Margaret Hong, though I am often called Margo. I like to take long walks on the beach, watch the sunset, and have dinner by the candlelight. And...oh wait, I got this confused for a personal ad, very sorry! Uh, in other news, this is currently my third year involved with the LEOS. I have a small history of positions such as being the president for the Sunny Hills High School club during my second year. For this year,

I am your district treasurer: in charge of taking care and recording all assets, all under my command (sadly, not fully). Aside from the jokes, I really do look forward to this year! When we meet, you may possibly be terrified of me because of my physical appearance (as many are), but get to know me and you'll never stop laughing! Margaret here, signing out!

Hi, my name is Rashmi Rawal! I am a senior at Sunny Hills High School this year. I joined my school Leo Club in my sophomore year and loved it. I went to all the events and was awarded "Member of the Year." Then, I became Treasurer in my junior year. I really enjoyed the experience and the opportunity to be part of the cabinet. Now, I am the President in my school club and a Publicity Chair in the District Board. I love Leo Club, for I have learned many things from it and have gotten to interact with so many different people. Moreover, the sense of pride and passion that Leo Club has given me is invaluable. I hope that I will be able to inspire a similar feeling in other people as well.

Rashmi Rawal

Hello everyone, I am Kevin Tjokro; one of your Leo District Activity Directors (the other being Hoi Wong). I am a Sophomore this year and I am a normal Asian band geek o.o. I spend most of my weeks playing trombone and doing homework. Whenever I can, I try to join in on the Leo Club events and help out.

Kevin Tjokro

I love helping out in our Leo Club events and participating takes the stress of school away when I think of how it helps the community. I really hope I can be of good use to the club this year. I'll see you guys around. :D

Activities Coordinators

Hoi Wong

Hey Leos! I am extremely excited to be your new Activities Coordinator. I remember reading about Leo club on my school's website and not knowing what the true purpose was. I joined just because I saw a large crowd wanting to join, but now I know why. I would have never imagined what a journey Leo club would take me and meeting all the amazing people who are part of this expedition. This will be my second year as a Leo and I am happy to be part of the never ending tradition of leadership, experience, and opportunity. Moving to from Texas a year ago has allowed me to appreciate the diversities and differences between different cultures in our society. Simply, "Unity among diversity". I hope to not only make this year better but make it to be more exciting, fun, and united as a district. With teamwork, diligence, and cooperation, I know we will grow to be stronger leaders in the society.

Orphanages of Thailand Chairs

Joey Lee

Hi everyone! My name is Joey and I am currently a junior in Diamond Bar High School. I have been in the Leo Club since 8th grade and am now a co-chairperson of the Orphanages of Thailand project in Leo District 4 L4. In school, I am on the track team and in other clubs such as FBLA and CSF. In my spare time, I like reading, running, listening to music, and watching television. Other things I enjoy doing include playing video games, sleeping, and eating fried chicken. This year, my goal for Leo Club is to try to help the kids in the Orphanages of Thailand program as much as I can. Cheers!

Nicole Gordon

My name is Nicole and I am a senior at Troy high school. I have been a member of troy high Leo club for three years now, two of which I have been on board. In my spare time, I enjoy to do outdoor activities like snowboarding. Some random facts about me are: green is my favorite color and I love dogs. I am really looking forward to all of the great things our district board is going to do this year in expanding Leo club to get more members :)

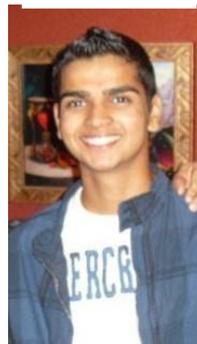

Audrey Arias

Hi, I'm Audrey. I go to Diamond Bar High School and I am a sophomore. My position is Ronald McDonald House Chair Person. I joined Leo because the feeling of helping people and knowing I could have made someone's day better makes my day that much better. I like knowing that because of me I just made someone happier and made their lives easier. Instead of sitting at home on the computer all day like many other kids, it is fun to go out and help the community.

Ronald McDonald House Chairs

Manan Shah

Being a Leo has truly been a very rewarding experience for me. It has given me the opportunity to give back to the community, to meet new people, and to have tons of fun. I am thrilled to return to my position of Ronald McDonald House Chairperson for the 2010-11 year, as I am very passionate about the cause. My Co-Chairs, Orrin Belden and Audrey Arias, and I hope to do justice to the position and bring the Ronald McDonald House activity to new levels. At the House, we are able to provide aid and love to the unfortunate cancer patients, a genuinely rewarding experience. I optimistically look forward to a fun, exciting, and significant year for District 4-L-4.

Orrin Belden

Hey Leos! I am looking forward to another great year on the 4L4 District Board. I am a part of the Diamond Bar High School Leo Club and I am currently the Treasure of this club. I have been a Leo member for three years going on four. Last year I earned a silver award and this year I am striving to earn a gold award. In the past I have served on the Leo District Board as Activities Coordinator and Sergeant at Arms. This year I will be devoting my time to the Ronald McDonald House as the chairperson to help the families of ill children. This will be a great opportunity to serve and I look forward cleaning, cooking, and organizing all the events at the Ronald McDonald House. Let's make this an awesome year of service in the community.

District Advisors

John Doogan

Lion John Doogan has always been a gigantic part of the District 4-L4 Leos. Mr. Doogan was the founder of the Leo Club of the Braille Institute in Anaheim, CA, President of 'The Orphanages of Thailand, Inc.' and Lion of the Year for 2005. He has travelled across Thailand and visited the orphanages there. Witnessing the great fountain of support pouring from the U.S., he is very proud to be a Lion.

Mr. and Mrs. Tanaka

Jack and Wanda Tanaka are also advisors for the District 4-L4 Leos, in addition to being the advisors of the Diamond Bar High School Leo Club. In the past, they have played vital roles in District 4-L4, and we look forward to working with them for another eventful year. Mr. & Mrs. Tanaka have always shown their unwavering support for Leos, and we greatly thank them for their love and support.
